Master in Islamic Finance And Banking (MIFB) programme is offered by Islamic Business School (UUM IBS).

Master in Islamic Finance And Banking (MIFB)

INTRODUCTION

Master in Islamic Finance and Banking (MIFB) was offered by IBS since September 2012. This programme aims to produce highly ethical and knowledgeable graduates in Islamic finance and banking who can contribute to the industry and society. At the end of this programme students are required to complete a research paper in the field of Islamic banking and finance that will further enhance their analytical, written and oral communication skills.

PROGRAMME OBJECTIVES

Upon completion of the programme, the students are expected to :

1. acquire advanced theoretical principles in Islamic finance and banking to create effective solutions to practical problems,
2. develop their analytical skills and ability in Islamic finance and banking to make sound and ethical judgment in solving various types of problems,
3. possess the required knowledge and skills in conducting research in the field of Islamic finance and banking.

Upon completion of the programme the students are expected to:

1. Elaborate concepts and theories related to finance and banking.
2. Adapt Islamic concepts, principles and techniques in solving financial problems faced by companies in realizing the profit as well as fulfilling social responsibility.
3. Critically evaluate issues related to Islamic finance.
4. Manage human resource in carrying out responsibilities through effective communication skills.
5. Work effectively in group and demonstrate interpersonal skills.
6. Apply Shariah Professional code of ethics in the field of Islamic finance.
7. Continuously Integrate knowledge of Islamic finance and banking for career development.
8. Identify current and future challenges in managing innovation and developing entrepreneurial skill in the field of Islamic finance and banking.
9. Build and strengthen Islamic finance and banking through effective leadership.
