

MASTER OF ISLAMIC FINANCE AND BANKING (MIFB)

INTRODUCTION

Master in Islamic Finance and Banking (MIFB) was offered by Islamic Business School UUM since 2012. The programme aims to produce high performing graduates with holistic characteristic to serve the global community under the guidance of Al Quran and Sunnah. At the end of this programme students are required to complete a research paper in the field of Islamic banking and finance that will further enhance their analytical, written and oral communication skills

PROGRAMME OBJECTIVES

The objectives of the programme are:

1. To be knowledgeable in applying Shariah principles in finance and banking operations.
2. To critically analyse the difference between Islamic and conventional finance and banking theories and practices.
3. To develop highly ethical graduates with holistic characteristics who possess good interpersonal and social skills.
4. To instil graduates with problem solving skills to become a dynamic leader in facing challenging and dynamic business environment.

Upon completion of the programme the students are expected to:

1. Interpret Shariah knowledge in the area of Islamic finance and banking.
2. Illustrate practical skills in analyzing financial data using financial tools and techniques in solving financial problems.

3. Integrate social skills and responsibilities to promote prosperity of the society through solving financial issues.
4. Possess professionalism and ethical code of conduct in accordance with Shariah.
5. Display effective communication, leadership and team skills.
6. Appraise knowledge and critical thinking in solving problems related to assigned tasks.
7. Synthesize relevant knowledge for career development and lifelong learning.
8. Demonstrate effective managerial and entrepreneurial skills and managing resources.
